**SECTION II
JUSTIFICATION FOR ADDITIONAL BUS PURCHASES, TRANSPORTATION
SERVICES, AND/OR EARLY BUS REPLACEMENT**

1. Pursuant to IC 20-40-18-9(2)(A), If the School Corporation is seeking to acquire or contract for transportation services that will provide for additional school buses or buses with a larger seating capacity as compared to the number and type of school buses from the prior school year, explain for each additional bus and the circumstances of the demand for increased transportation services within the School Corporation.

(Add additional sheets if necessary)

We have fewer and fewer people interested in being contracted bus drivers. We anticipate having to takeover several contract bus routes and make them corporation routes. Because of this situation we may need to purchase as many as 5 buses in the next 3 years. We'd like to plan to purchase one (1) additional new bus in 2024 to help address the issue of taking over contracted bus routes.

2. Pursuant to IC 20-40-18-9(4), If the School Corporation is seeking to replace an existing school bus earlier than twelve (12) years after the existing school bus was originally acquired or requires a contractor to replace a school bus, explain for each bus the circumstances for that need.

(Attach additional sheets if necessary)
