LEAVES OF ABSENCES

CHAPTER 1. PERSONAL LEAVE

Each full-time teacher employed under regular contract shall be entitled to receive three (3) days of absence per year without loss of pay for the transaction of personal business or the conduct of personal or civic affairs. If in any one year the teacher shall be absent for reasons covered in this provision for fewer than three (3) days, the remaining day(s) shall be accumulated for personal leave and each teacher may accumulate not more than five (5) days of personal leave. Thereafter, unused allowed days for personal leave shall be transferred to the teacher's accumulated sick leave.

Prior to the absence, the teacher shall submit to the school's principal a written statement describing the reason and necessity for the absence. "Personal Business" may be given as the reason for said absence. In the event of an emergency, when prior notification is impossible, the teacher shall notify the principal of the absence orally, and then submit a written statement describing the reason and the necessity for the absence within one (1) day after the absence for personal leave has occurred.

A record, which may be a copy of the most current teacher's service record, shall be kept by the school corporation as to the following personal leave matters:

- (a) Days of personal leave accumulated prior to year of contract;
- (b) Days of personal leave earned for contract year;
- (c) Dates of absences charged against leave;
- (d) Days of accumulated personal leave at the end of year of contract; and
- (e) Days of personal leave transferred to accumulated sick leave.

CHAPTER 2. SICK LEAVE

Each full-time teacher employed under regular contract shall be entitled to be absent from work because of personal illness for a total of ten (10) days each year without loss of compensation. If in any one (1) school year, the teacher shall be absent from such illness less than the prescribed number of days, the remaining days shall be accumulated to a total of one hundred and ninety-five (195) days. Any teacher employed for only a portion of the school year shall be entitled to a proportionate number of days of sick leave and accordingly the unused days will be accumulated proportionately.

In the event any teacher shall have accumulated one or more days of sick leave in another school corporation of this State and shall thereafter be employed in the Decatur County Community Schools, there shall be added for the first year and each year thereafter of such employment up to three (3) days of sick leave until the number of accumulated days by the teacher at the last place of employment shall have been exhausted. In the case of questionable illness, the Office of Superintendent may request verification or a physician's statement documenting that the cause of the absence was illness or quarantine. In the case of a prolonged absence a physician's approval may be required before the teacher returns to the classroom. The school employer reserves the right to question any illness

and to approve any physician selected. In the event a second doctor's certification is required by the employer, the employer will pay for the second certification.

CHAPTER 3. FAMILY ILLNESS LEAVE

Legally accumulated sick leave may be used in the event of an illness or accident involving an immediate member of the family. "Immediate Family" shall include father, mother, guardian, grandparent, grandchild, brother, sister, wife, husband, child, father-in-law, mother-in-law, daughter-in-law, son-in-law, and or any other relative living in the teacher's household at the time of the illness shall be considered a member of the immediate family.

Any teacher who seeks to utilize accumulated sick leave for immediate family shall do so in the following manner:

1. A teacher may use eight (8) days of accumulated sick leave on account of illness or accident of any member of the immediate family as previously described, without prior approval. The Office of the Superintendent may request verification of the illness or accident involving the immediate member of the family.
2. If the teacher seeks to use more than eight (8) days of accumulated sick leave for an illness or accident involving an immediate member of the family, then such teacher shall submit the request for such absence in writing and designate the number of days for which the teacher is requesting absence. The Office of the Superintendent shall have final authority in ruling upon such requests. If ten (10) or more days are requested by the teacher for absence due to illness or accident involving an immediate member of the family, then the Superintendent may, at his discretion, present such request to the Board of School Trustees for final determination.

CHAPTER 4. BEREAVEMENT LEAVE

In the case of death in the immediate family of a regularly employed teacher, the teacher is entitled to be absent without loss of compensation for a period extending not more than five (5) school days beyond such death, three (3) of which days shall be consecutive and shall be taken immediately after such death, for the purpose of attending the last burial rites and attending the other personal matters of the immediate family members, provided however, that said burial rites occur while said teacher is performing duties as assigned by the school employer under a valid teacher's contract; and further that such burial rites do not occur during the time when said teacher is absent from assigned duties due to vacation, leave of absence, or sick leave which may have been previously granted or approved by the school employer. (Christmas break and Spring break shall be counted as school days for purposes of the three (3) day period immediately following the death.)

"Immediate Family", for this section, shall be defined as father, mother, legal guardian, brother, sister, husband, wife, child, grandchild, grandparent, father-in-law, mother-in-law, son-in-law, and daughter-in-law. Any other relative who at the time of death was living as a member of the teacher's household will be considered as a member of the immediate family.

In the event of the death of an ex-spouse, one (1) bereavement day will be allowed to attend the funeral when dependent children (18 years or younger) are involved.

In the case of the death of a spouse's grandparent, brother-in-law, or sister-in-law not living in the household of the teacher, the teacher is entitled to be absent three (3) consecutive school days without loss of compensation.

In the case of the death of a first cousin, the teacher is entitled to be absent one (1) day without loss of compensation. In the event the place of burial 250 miles or more from Greensburg, Indiana, then the teacher is entitled to be absent two (2) days without loss of compensation for travel and funeral attendance purposes. In the case of the death of an uncle, aunt, niece or nephew, not living in the household of the teacher, the teacher is entitled to be absent two (2) days without loss of compensation for travel and funeral attendance purposes. To be entitled to absence with pay such teacher shall attend in person the last burial rites of the stated family member not living in the household of said teacher, and further, said burial rites shall occur while teacher is performing duties as assigned by the school employer under a valid teacher's contract, and further said burial rites do not occur during the time when said teacher is absent from assigned duties due to vacation or leaves of absence or sick leaves which may have been previously granted or approved by the school employer.

In the case of the death of a fellow teacher within the teacher's assigned school, the teacher may be absent for the purposes of attending the funeral services, without loss of compensation if such absence has received the approval of the Office of the Superintendent.

CHAPTER 5. LEAVE FOR PREGNANT TEACHERS

In accordance with Indiana law, any teacher who is pregnant may continue in active employment as late into pregnancy as she desires, if she can fulfill the requirements of her position. Temporary disabilities caused by pregnancy shall be governed by the same provisions governing sickness and by the following:

(a) Any teacher who is pregnant is entitled to a leave of absence any time between the commencement of her pregnancy and one (1) year following the birth of the child, if, except in a medical emergency, she notifies the Superintendent at least thirty (30) days before the date on which she desires to start her leave. She shall also notify the Superintendent of the expected length of this leave and include with this notice either a physician's statement certifying her pregnancy or a copy of the birth certificate of the newborn, whichever is applicable. In case of a medical emergency caused by pregnancy, the teacher shall be granted a leave, as otherwise provided in this Section, immediately upon her request and certification of the emergency from an attending physician. The teacher shall notify the Superintendent in writing of a requested date of return to service following the leave. The first day of return to service following the leave shall be one which is mutually agreed to in writing between the teacher and the Superintendent.

(b) All or any portion of leave taken by a teacher because of a temporary disability caused by pregnancy may be charged, at her discretion, to her available sick leave.

However, the teacher is not entitled to take accumulated sick leave days when the teacher's physician certifies that the teacher is capable of performing the teacher's regular teaching duties.

CHAPTER 6. EMPLOYMENT INJURY LEAVE

Any personal injury arising out of and in the course of the teacher's employment shall result in no loss of salary for the maximum period of sixty (60) days after such injury, provided that:

1. A teacher acting in an official capacity during contracted times who is attacked or injured by a student, parent or intruder shall be awarded up to an additional ten (10) sick days for use prior to exhausting their personal and sick leave days
2. For injuries not defined in paragraph 1, the teacher first exhausts all personal and sick leave days.
3. The injury results in disablement preventing such teacher from performing the normal duties required of said teacher;
4. The teacher shall qualify for, request and receive worker compensation benefits;
5. The teacher receipts an amount of money equal to such benefits into the corporation's general fund; and
6. The teacher may not be required to receipt any of such benefits into the corporation's general fund if the teacher does not during such period of disablement receive sick leave benefits from the employer.

Upon receipt of such money into the general fund, and in the event the disability continues for more than twenty-one (21) days, then such disabled teacher shall receive his regular salary for the first seven (7) calendar days of the disability. As a condition of payment, the employer reserves the right to require the teacher to provide the Board with satisfactory medical evidence from a physical examination conducted by a physician licensed in the State of Indiana, and who is approved for such purpose by the employer.

CHAPTER 7. PROFESSIONAL LEAVE

In the event the teacher and employer agree that professional leave is an appropriate activity and will not hinder the effective operation of a school, classroom, or other activity, professional leave may be granted by the employer to a teacher for purposes and activities approved by the employer, such as but not limited to:

1. Attending or participating in professional education meetings, workshops, seminars or conferences sponsored by industry, professional associations, colleges, universities, or government agencies, provided that such matters shall solely involve public school education matters as they relate to the teaching duties of such teachers; and
2. Visitation to other school corporations or educational institutions for the purpose of observing instructional techniques or other instructionally oriented programs that relate to the teaching duties of such teacher.

Any such leave request shall be submitted to the Board in a timely manner pursuant to its rules. Further, any of such requests so granted, shall be granted with pay. Each teacher

may be granted two (2) days per year for these activities set forth in subsection "1" above which are Board approval conferences or seminars; provided in no event is a teacher entitled to more than two (2) days of professional leave per year. Additional time may be granted by the Board at its sole discretion in the event it determines such leave is necessary for the efficient and effective operation of the Corporation. Such leave shall be subject to certification and verification that such activity was undertaken, all as the Board may prescribe by its rules.

This chapter shall not prohibit payment of salary and/or expenses to a teacher to attend a meeting, conference, or other activity that the employer may require a teacher to undertake as part of the teacher's job assignment. This provision shall not be construed as to require such job assignment or payment thereof.

CHAPTER 8. JURY DUTY LEAVE

A teacher called for grand or petit jury duty shall, during the required period of absence from assigned duty by the school employer, be paid full regular salary less the total amount of per diem allowance earned by such teacher for jury duty.

CHAPTER 9. COURT LEAVE

In the event a teacher is subpoenaed, by a parent of a current or former student assigned to a teacher, to appear in any child custody court proceeding, or is subpoenaed by the parent or guardian of a student as a result of the teacher's activities in the course of his employment by the Board, he shall be granted a leave of absence with pay for the necessary period of absence.

CHAPTER 10. ASSOCIATION BUSINESS RELATED LEAVE

One day's leave each year shall be granted to the DCEA President and the DCEA Vice President for any Teachers Association related business.

CHAPTER 11. GENERAL PROVISIONS APPLICABLE TO LEAVES OF ABSENCE

The following general provisions shall apply to leaves of absence provided for by this Agreement:

1. If the teacher (a) fails to notify the Office of Superintendent, at least thirty (30) days prior to the expiration of a leave, that he/she intends to return to employment; or (b) provides notice and fails to return to employment the first assigned duty day of the next ensuing school year from the date of termination of the leave; or (c) fails to accept an offered position for which he/she is qualified, the teacher shall be deemed to have resigned and the obligation of the School Corporation to provide a position for the teacher will cease.
2. In all cases the school employer reserves the right to require an examination by a school employer appointed physician(s) to determine the physical fitness to return to employment and resume the full performance of the duties and responsibilities to which the teacher may be assigned.
3. During leaves the teacher may, at the teacher's own expense, maintain coverage in any group insurance program provided in this Agreement by paying the total premium prior to the date such premium is due and payable.
4. Teachers shall have the right to both the appropriate family and medical leave and the appropriate designated benefits provided by the Family Medical Leave Act ("FMLA"). Any provision of this contract which restricts mandatory leave and/or mandatory benefit(s) of the FMLA will not have any effect for any teacher who has a right to a leave and/or benefit under the Act. The School Corporation may require a teacher to verify and/or certify any information which an employer may require under the FMLA and it may further elect any option available to it under the FMLA for any leave or benefit for which a teacher qualifies under the FMLA but for which the teacher is not entitled under the specific language of this contract.

CHAPTER 1. MEDICAL INSURANCE

An amount not exceeding that amount specified below will be paid by the school employer towards the cost of hospital, surgical, and medical-care type insurance for each full-time teacher employed under regular contract and enrolled in the school corporation's group medical insurance plan, with the regular teacher paying not less than One Dollar (\$1.00) per year. The board shall contribute at least \$347.65 per month for single coverage in any of the health insurance plan options available. The board shall contribute at least \$835.45 per month for family coverage in any of the health insurance plan options available. In the event both a teacher and spouse were employed as full-time teachers by the school corporation on August 1, 2014, all but One Dollar (\$1.00) will be paid by the school employer for the cost of the employee family coverage plan. No additional married teachers will receive this payment unless they were married to each other on or before August 1, 2014 and both employed by the school employer on August 1, 2014. Teachers currently on staff will be permitted to change from health insurance plans effective October 1, 2014, and annually effective on January 1 thereafter. After that date, each teacher will remain in the plan elected by the teacher until the next available change date. Teachers may only enroll or change from the single or family plan within the plan options available with the occurrence of a HIPAA qualifying event. CHAPTER 5. I.R.S. SECTION 125

A teacher may participate in this school corporation's flexible benefits plan. Such plan shall be solely determined and adopted by the Board under the provisions of Section 125 of the Internal Revenue Service Code. The plan will provide for the employee share of group insurance premiums. The individual teachers who elect to participate in the plan shall be responsible for payment of any monthly costs incurred thereafter

CHAPTER 6. VISION INSURANCE

The Board will contribute forty percent (40%) of the first \$750 of a teacher's paid vision receipts if the receipts are allowed vision costs under the corporation's direct vision reimbursement plan for receipts dated after October 1, 2014.

CHAPTER 7. ADDITIONAL POLICY COVERAGE

Beginning January 1, 2024, teachers who elect not to participate in the group medical plan would be credited with an amount of up to \$600 per calendar year to cover additional insurance policies (i.e. cancer, short-term disability, accident, etc.) that the employee purchases through the school insurance provider, not to exceed a credit of \$25 per pay (for 24 pays). In the event that an employee has a qualifying event and needs to be added to the group medical plan, the additional insurance supplemental payment would terminate.

ARTICLE VI

RETIREMENT PAY

An individual who is employed as a bargaining unit member at the time of retirement from employment will be eligible for retirement benefits provided the teacher has otherwise satisfied the requirements and conditions described below.

Retirement pay shall be provided to a certified retiring teacher according to the following requirements and provisions:

1. Unused accumulated sick leave days and payment for years of service in this school corporation will be paid upon retirement as stipulated below, provided that the retiring teacher has reached the age of 55 years and has at least ten (10) years of teaching experience in the school corporation;
2. That said teacher shall notify the Office of Superintendent of intent to retire not later than June 1st in the school year prior to the date of retirement, provided however, that said notification date shall be waived in case of retirement due to mental or physical disability if evidence of such disability is submitted to the Office of Superintendent. A teacher may rescind his/her retirement notification letter up to December 1st of the school year of retirement. Further, the Board, at its discretion, may waive this notification requirement for any reason, if so requested by the retiring teacher;
3. Permanent retirement must be evidenced by an appropriately filed application for retirement benefits to the Indiana State Teachers Retirement Fund Board;
4. Payment will be part of said teacher's last pay check based upon the accumulated sick leave total as of the last day of the last school year of employment and upon the number of years of teaching experience in this school corporation, as follows:
 - A. Accumulated Sick Leave -- \$65.00 per day.
 - B. Each year of teaching service in this school corporation -- \$75.00.
5. Said total additional retirement pay under this provision shall not, however, exceed the total sum of Fourteen Thousand Five Hundred Dollars (\$14,500.00).
6. The benefits provided by this Article shall be paid to the teacher's designated beneficiary in the event the teacher dies prior to receiving said benefits; provided however that the teacher had properly qualified for these benefits prior to the time of his or her death.
7. Group Health Insurance

Immediately following retirement, the teacher, spouse, and eligible dependents, if any, shall have the option of remaining in the Corporation's group health insurance plan if all of the following conditions are met as of the date of retirement and thereafter:

- A. The teacher was enrolled in the Corporation's group health insurance

plan during the school year immediately before severance;

- B. While the retired teacher, spouse, and eligible dependents, if any, remain enrolled in the health insurance plan, the retired teacher, spouse, and eligible dependents shall pay the entire insurance premium applicable to the insurance coverage, with the payments to be made at least quarterly by the thirtieth (30th) day of each month in September, December, March, and June.
- C. Ninety (90) days prior to the severance date, the teacher has provided a written request to the School Corporation for continuing insurance coverage for the teacher, spouse, and eligible dependents, if any.

When a retired teacher first becomes eligible for Medicare, the teacher's eligibility to continue to participate in the Corporation's group health insurance plan shall terminate, if not earlier terminated according to applicable law. (The same termination of eligibility shall also apply when a retired teacher's spouse first becomes eligible for Medicare.) It is acknowledged that the parties intend these provisions to comply with applicable federal and state laws that establish an eligible teacher's right to continue health insurance for the teacher and spouse, including if otherwise applicable, Indiana Code 5-10-8-2.6. Therefore, this right to extended coverage shall not override any rights to continuing health care coverage as required by COBRA.

8. 403(b) Annuity Plan

- A. Each teacher may elect to make a salary reduction election and make tax deferred contributions, to a plan described in section 403(b) of the Internal Revenue Code (the "Code") to the maximum limits allowed by the Code. The Board shall forward salary reduction money to the appropriate vendor monthly.
- B. The school corporation shall maintain a list of approved investment vendors for the salary reduction contributions made to 403(b) Plan.

9. Buy Out of Retirement Benefits

- A. Elimination of Prior Agreement's Retirement Bridge and Severance Benefit.

The Board and the Association specifically reserved the authority to revise or terminate the retirement benefits contained in earlier agreements. Exercising this authority, the Board and the Association now confirm that Article VI, 7, "Social Security Bridge Payment" and paragraph 8 in the Agreement immediately before this agreement's effective date are terminated and shall not apply to any teacher retiring or severing employment with the school corporation on or after this effective date, except as otherwise specifically provided in this Article. Those teachers who retired or severed employment before the effective date shall only be entitled to the retirement benefits contained in the prior agreement as of the time of his or her retirement, but as may be otherwise

revised from time to time. Retirement benefits computed under former paragraphs 7 and 8 of Article VI were extinguished and funded by agreement of the parties in a Memorandum of Agreement dated June 15, 2004. Teachers eligible for a buyout of retirement benefits were those with more than five (5) full years of experience with Decatur County School Corporation on January 1, 2002. The parties subsequently changed this eligibility date to include all teachers with five (5) full years of experience with Decatur County School Corporation on February 1, 2004. Teachers ineligible for buyout were those not meeting that minimum for employment. Employees not eligible for the buyout shall be limited to the 401(a) savings plan and any other accounts established in the future. In addition, such ineligible employees are not entitled to the severance provisions of paragraphs 1 thru 6 above.

After the severance amount has been determined in accordance with paragraphs 4 and 5, two thousand dollars (\$2,000) shall be deducted and paid in cash to the eligible teacher as part of the eligible teacher's final pay. The balance of the severance amount shall be deposited into the teacher's 401(a) and VEBA accounts according to the following proportion: seventy percent (70%) into the teacher's 401(a) account and thirty percent (30%) into the teacher's VEBA account.

B. Entitlement to Retirement Benefits and Vesting Requirements

Upon retirement from the Decatur County School Corporation, a teacher shall be fully vested in the retirement benefits described in this Section 9 if the retiring teacher has satisfied the following requirements:

- (1) In the year (September 1 through August 31) of the teacher's retirement, the retiring teacher must satisfy the following:
 - a. Be at least fifty-five (55) years of age
 - b. Have at least ten (10) years of teaching experience in the school corporation.
 - c. The teacher shall notify the Superintendent of the intent to retire not later than June 1st in the school year prior to the date of retirement, provided however, that said notification date shall be waived in case of retirement due to mental or physical disability if evidence of such disability is submitted to the Office of the Superintendent. A teacher may rescind his/her retirement notification letter up to December 1st of the school year of retirement. Further, the Board, at its discretion, may waive this notification requirement for any reason, if so requested by the retiring teacher.
 - d. Full benefits provided by this Article shall be paid to the teacher's designated beneficiary in the event the teacher dies prior to receiving the full benefits; provided however the teacher had properly qualified according to (a) and (b) of this section prior to the time of death.

C. Vesting

Amounts forfeited upon termination of employment because of the failure to meet the applicable vesting requirements shall not be reinstated or re-credited if an individual is subsequently rehired or re-employed by the school corporation. However, if the Board approves a leave of absence for an employee, such period of leave shall not result in forfeiture, provided the employee shall promptly return to employment following the expiration of the period of leave.

D. Buy-out Contributions

Employees eligible for the retirement bridge buy-out shall have the computed buy-out amounts deposited into VEBA and 401(a) plans as established by the Memorandum of Agreement between the parties of June 15, 2004.

E. Future Adjustments

The parties agree that this Agreement does not constitute an expectation of receiving the enumerated retirement benefits by any current employee, future employee, prospective employee or applicant beyond the expiration of this Agreement. Therefore, except as otherwise limited by applicable law, it is understood that the Board and Association may in the future bargain modifications of any kind to this provision, provided however, that the future revision shall not affect the retirement benefits of teachers already receiving benefits pursuant to this Section.

10. Retirement Savings 401(a) Annuity Plan

- A. The Board shall contribute seventy percent (70%) annually of 0.005 (.5%) of the teacher's base salary to a sheltered retirement plan for those teachers eligible for the retirement buy-out. For bargaining unit members excluded from receiving the retirement buy-out contribution the Board shall contribute seventy percent (70%) of .015 (1.5%) of the teacher's base salary. The Board will contribute an additional fifty dollars (\$50.00) if matched by the unit member.
- B. The amounts contributed to the Board established sheltered retirement plan and any appreciation shall vest when the employee has at least three (3) years of teaching experience in the school corporation. Should the employee's service with this school corporation terminate for any reason before vesting, all Board contributions and appreciation in the sheltered retirement plan financed by the Board shall revert to a holding account to offset Board contributions.
- C. At the time of retirement and in lieu of the benefit defined in Article VI, Retirement Pay, paragraphs 4 and 5, the Board will contribute to buy out eligible employees the amounts calculated in paragraphs 4 and 5 minus 7.65% to a sheltered retirement plan established for the employee. Post retirement 403(b).
- D. Upon retirement, the face value of all contributions and appreciation in both the Board's amount and the Board's matching amount plus a two (2%) assumed interest rate on the amounts shall offset the amount owed in Article VI, 4 and 5. The retirement plans established herein shall be valued at the last day of contracted service for the eligible employee.

- E. Once contributions are made by the Board, and according to the vesting schedule above in Section 10B, all assets of the account become the property of the employee, and in the event of the employee's death, the employee's designated beneficiary, or estate, if no beneficiary exists.

11. VEBA Account

- A. The school corporation shall establish a VEBA account for each individual employee. Once retired, an employee may use VEBA monies to pay health insurance premiums, life insurance premiums, long term care premiums, and to be reimbursed for unreimbursed medical expenses of the employee, spouse, and dependents. Each employee may determine how his or her account shall be invested among the investment options made available by the VEBA vendor.
- B. The Board shall contribute thirty percent (30%) annually of 0.005 (.5%) of the teacher's base salary to a sheltered retirement plan for those teachers eligible for the retirement buy-out. For bargaining unit members excluded from receiving the retirement buy-out contribution, the Board shall contribute thirty percent (30%) of 0.15 (1.5%) of the teacher's base salary.
- C. The amounts contributed herein shall vest when the employee has completed three (3) years of teaching experience in the school corporation. Should the employee's service terminate, all contributions and interest shall be credited against subsequent Board contributions and distributed as determined by the VEBA vendor. If the reason for termination is reduction in force, the employee's account shall remain in force until rights to recall have expired.
- D. Following the death of an employee who had otherwise satisfied the vesting schedule in C above, any amounts accumulated or remaining in the deceased employee's VEBA account may be or continue to be used to pay medically related premiums and expenses of the employee's spouse and dependents. At no time may the VEBA make loans to an employee, his/her spouse, or dependents.
- E. All costs incurred in the administration of the VEBA and investment fees shall be paid from the VEBA assets.

12. Exception to Age 55

Notwithstanding anything to the contrary in this Article VI, if a retiring teacher has not reached the age of 55 years by otherwise qualifies under the Indiana State Teachers' Retirement Fund's (INPRS) Rule of 85, then the retiring teacher shall be eligible for the retirement pay and benefits provided for in this Article.

ARTICLE VII

GRIEVANCE PROCEDURE

This Grievance procedure, hereinafter referred to as "Procedure", stipulates the conditions under the procedures by which grievances alleged by certain certificated school employees as defined in this Contract shall be processed. If any such grievances arise there shall be no stoppage or suspension of work because of such grievances, but such grievances shall be submitted to the following grievance procedures:

Section A (DEFINITIONS)

As used in this Procedure:

1. "Grievance" means, and shall be limited to, an alleged violation, misinterpretation or misapplication of an express Article or Section of this written contract, except that portion of Article VIII specifically exempted from this Procedure.
2. "Superintendent" means the chief administrative officer of the school corporation, or any person(s) designated by him to act in his behalf in dealing with school employees.
3. "Grievant" means a teacher(s), or the Association, directly affected by the alleged violation.
4. "Day" means school employer assigned duty day of the teacher(s) which occurs during the term of a teacher's individual contract, provided, however, that at all other times, "day" means week day.

Section B (STRUCTURE)

1. Either party is entitled to representation at all levels of the Procedure provided, however, seventy-two (72) hours notice shall be given if a person other than a teacher or administrator is to be present.

SUB-CHAPTER 1. INFORMAL GRIEVANCE

Within ten (10) days of the time the grievant first knew, or should have known, of the act or condition upon which it is based, the grievant must present the grievance to his principal or immediate supervisor, or their designee, by meeting with him individually in an informal manner during non-teaching hours. Upon the grievant's request, the principal must establish a meeting within three (3) days of the grievant's request for the meeting. If the grievant fails to so meet and discuss the alleged grievance as provided herein, then the grievant shall be prevented from filing said alleged grievance at any formal grievance level(s). Within seven (7) days after the meeting and presentation of the grievance, the principal or immediate supervisor, or their designee, shall give his answer in writing to the grievant.

SUB-CHAPTER 2. FORMAL GRIEVANCE

LEVEL ONE (1) GRIEVANCE.

Within five (5) days of the written answer, or within twelve (12) days after presentation of the grievance at the informal level, if no written answer has been rendered, or if the grievance is not resolved, it must be filed by the grievant with the principal or immediate supervisor, or their designee, in writing, signed by the grievant, on the appropriate grievance form as set forth in Appendix "C". The written grievance shall identify the certificated school employee(s) involved, shall state the facts giving rise to the grievance, shall identify by specific reference all express Articles or Sections of this contract alleged to have been violated, shall state the contention of the grievant with respect to the provision(s) of said Articles or Sections, and shall indicate the relief requested.

Within seven (7) days after receiving the written grievance, the principal or supervisor, or their designee, shall communicate the answer in writing to the grievant.

LEVEL TWO (2) GRIEVANCE.

In the event that the grievance is not resolved at Level One (1), or if no written decision has been rendered within the time limit provided, the grievant may appeal the decision to Level Two (2) provided said appeal is filed with the Superintendent within ten (10) days of the receipt of the written answer at Level One (1) or within the seventeen (17) days after the presentation of the grievance at Level One (1) if no written answer has been rendered. The appeal shall include a copy of all materials and evidence previously submitted. The grievant(s) shall submit the written claim, signed by him/her, to the Superintendent of Schools. Within ten (10) days from the receipt of the grievance the Superintendent shall render a written decision to the grievant as to the resolution of the grievance. An additional fourteen (14) days beyond the ten (10) days shall be allowed if the Superintendent determines further investigation is necessary.

LEVEL THREE (3) GRIEVANCE - ARBITRATION.

1. In the event the grievance is not resolved at Level Two (2), or if no written decision has been rendered within the time limit provided, the grievant may submit the grievance to arbitration after filing a written notice ten (10) days prior to submitting said grievance to arbitration. Said submission shall be to the American Arbitration Association.
2. The selection of the arbitrator and the rules which govern the arbitration proceedings shall be in accordance with the rules of the American Arbitration Association, provided however, that panels of not less than nine (9) arbitrators shall be submitted to the parties, and further provided the parties shall have the right to require submission of not more than three (3) panels.
3. The decision of the arbitrator shall be binding upon the parties subject to the provisions of this Article.
4. The arbitrator's jurisdiction shall be strictly limited to rendering an opinion regarding a grievance as defined hereinabove. The arbitrator shall have no power or authority to, directly or indirectly, amend, alter, add to, subtract from, or supplement the provisions of this Agreement, nor allow his judgment to, in any way, infringe on the rights of management provided by law or under this Agreement. The arbitrator shall

be bound by and comply with all Indiana law and Federal law. The arbitrator shall be limited to the remedy requested in the grievance, and said remedy shall be necessary to the enforcement of this Agreement.

5. The parties may submit more than one (1) grievance at the same arbitration hearing if they agree in writing in advance to do so.
6. The arbitrator may consider relevant past practice and custom as an aid in interpreting clearly ambiguous or vague contract language. However, in no event may past practice or custom, not based or dependent upon an express provision of this Agreement, be considered binding upon the employer unless it has been placed in writing and signed by both parties.
7. The expenses and fees of the arbitrator shall be shared equally by the parties.
8. Within fifteen (15) days of written application for an American Arbitration Association arbitrator, the Association may request a pre-arbitration conference (similar to a pre-trial conference) to be held within fifteen (15) days of said request unless mutually extended. At said conference, the parties shall be afforded full discovery, exchange witness lists and documentary evidence.
9. The number of days indicated at each level shall be considered as maximum. The time limits specified may, however, be extended by mutual agreement of the grievant and the school employer.

SUB-CHAPTER 3. MISCELLANEOUS GRIEVANCE PROVISIONS.

1. Decisions rendered at Formal Level One (1), Formal Level Two (2), and Formal Level Three (3) of this Procedure shall be in writing.
2. All documents, communications and records dealing with the processing of a grievance shall be filed separate from the personnel files of the grievant.
3. All necessary forms for grievance procedures set forth in this Procedure shall be provided by the Superintendent.
4. Failure at any level of this Procedure to render the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next level, unless said time limits be extended by mutual consent of both parties. However, the grievance must be appealed by the grievant to the next level within the specified time limit for that level of said grievance or shall be deemed resolved by the school employer's answer at the previous level and therefore abandoned.
5. Any hearing at the Informal Level and at Formal Level One (1), Formal Level Two (2) and Formal Level Three (3), shall be held during non-teaching hours unless otherwise directed by the school employer.
6. No certificated school employee shall use this procedure to appeal any decision by the school employer or administration if such decision is applicable to a state or federal regulatory commission or agency.
7. Certificated school employees shall follow all written and verbal directives, even if

such directives are allegedly in conflict with this contract. Compliance with such directives will not in any way prejudice the certificated school employee's right to file a grievance within the time limits herein, nor shall compliance affect the ultimate resolution of the grievance. If a certificated school employee believes a verbal directive to be in conflict with this contract, he/she may submit a written statement listing the section of the contract allegedly being violated and may then request that the verbal directive be put in writing.

8. Any grievance which arose prior to the ratification date of this Contract shall not be processed.
9. This procedure supersedes and cancels all previous grievance policies, or procedures, verbal or written, or based on alleged past practices or procedures, and constitutes the entire procedures for the processing of grievances.
