About South Decatur Jr-Sr High School:

SDHS is a vibrant learning community committed to academic excellence and student success. Located in Greensburg, IN, our high school offers a diverse range of educational opportunities, including dual credit programs in partnership with local colleges and universities. We prioritize innovation, collaboration, and student-centered learning, and we're excited to welcome a passionate medical sciences instructor to our team. Join us in shaping the future of healthcare education!

Position Overview:

Join our dynamic team at South Decatur Jr-Sr High School as a Health Sciences/Medical Sciences Educator, where you'll have the unique opportunity to blend your expertise in nursing with a passion for education. We're seeking a registered nurse who is ready to transition into the rewarding field of teaching to lead our Ivy Tech-aligned dual credit healthcare courses. As a teacher, you will play a pivotal role in shaping the next generation of healthcare professionals!

Position: Health & Medical Sciences Educator High School

Date of Vacancy: 2024-2025 School Year

Filing Deadline: April 30, 2024, or until filled

Qualifications:

- Current Registered Nurse (RN) license in the state of Indiana. More advanced education (BSN, MS) is preferred.
- Minimum of 3 years of clinical experience as a registered nurse OR active teaching license.
- Strong knowledge of medical terminology, anatomy and physiology, and healthcare principles.
- Experience working with high school students or in an educational setting is desirable but not required.
- Excellent communication and interpersonal skills.
- Ability to adapt teaching methods to meet the diverse needs of students.
- Commitment to professional growth and development in the field of education.
- Willingness to apply for and maintain a Workplace Specialist license.

Performance Responsibilities:

- Provide engaging and comprehensive instruction for dual credit healthcare courses, including medical terminology, anatomy and physiology, and Certified Nursing Assistant (CNA) classes.
- Deliver instruction for Project Lead The Way (PLTW) Biomedical Sciences courses, incorporating hands-on, inquiry-based learning experiences to foster students' understanding of biomedical concepts.
- Facilitate laboratory activities and simulations to enhance students' practical skills and understanding of healthcare and biomedical concepts.
- Assess student learning through a variety of methods, including exams, projects, presentations, and hands-on demonstrations.
- Provide timely and constructive feedback to students to support their academic growth and development.
- Participate in professional learning communities and ongoing professional development to enhance teaching effectiveness and stay current with best practices in healthcare and biomedical education.
- Provide mentorship and guidance to students interested in pursuing careers in healthcare.

Benefits:

- Competitive salary commensurate with experience and qualifications.
- Comprehensive benefits package, including health insurance and retirement plans.
- Guaranteed weekends and holidays off, as well as school breaks, providing a regular and predictable schedule conducive to work-life balance.
- Opportunities for professional development and continuing education.
- Supportive work environment with dedicated colleagues and administrators.
