VACANCY

Innovation and Design Studio Assistant

North Decatur Elementary School

Full Time Assistant for the Design and Innovation Studio

Responsibilities:

- Utilizing lesson plans that integrate science, technology, engineering, and mathematics in age-appropriate ways for grades K-6.
- Incorporating relevant technologies into lessons and teaching basic computer and block coding skills with a variety of technologies.
- Ensuring proper safety protocols are followed during experiments and activities.
- Collaborating with other teachers to integrate STEM concepts into other subjects.
- Staying current with STEM education trends and continuously improving teaching methods.

If interested, submit application (available at www.decaturo.k12.in.us), resume, cover letter, license, transcripts, and references to:
